The 11:11 announcement

NOVEMBER 2, 2026 • NEW ORLEANS, LOUISIANA

CASMÈ announces 11:11 - Spiritual Awakening, arriving November 11

New Orleans Christian recording artist, songwriter, author and community leader CASMÈ will release 11:11 - Spiritual Awakening on November 11, 2026. The 11-song album anchors THE 11:11 PROJECT, a music and books campaign built around the vision “11 Books • 11 Songs • One Purpose.”

Blending Christian pop, soul and worship with the cultural rhythms of New Orleans, CASMÈ brings Cajun, Caribbean, Zydeco and Afrobeat influences to songs about prayer, surrender, self-reflection and love. The project carries her invitation to seek God and put faith into practice in everyday life.

Songs include “God, I Want You,” “I Wanna See (Everybody I Love in Heaven),” “Lord, I Wanna Love Like Jesus” and “Who Is God?!” The album pairs personal expressions of worship with joyful music that invites listeners to sing, move and reflect.

Known nationally from Season 19 of NBC’s The Voice as a member of Team John Legend, CASMÈ connects her music with a life of service. Her story includes surviving a life-threatening childbirth experience, navigating postpartum depression and rebuilding after a 2023 house fire. Those experiences inform her testimony of faith and renewal.

Release day will include two New Orleans-area book and CD signings: Shiloh’s Coffee in Kenner at 11:11 AM and PJ’s Coffee in Harvey at 1:11 PM. Fans can meet CASMÈ, take photos and purchase signed books and CDs. The first 11 attendees at each signing receive a special gift. A YouTube livestream listening party follows at 11:11 PM. All times are Central.

The album is scheduled for release across online music stores on November 11. Music, books and launch updates are available at IAmCASME.com. For interviews, coverage and booking inquiries, contact iamcasme@gmail.com.

ARTIST BIOGRAPHY

CASMÈ is a New Orleans-born Christian recording artist, songwriter, author and community leader whose music blends Christian pop, soul and worship with Cajun, Caribbean, Zydeco and Afrobeat influences. A Season 19 contestant on NBC’s The Voice with Team John Legend, she also brings experience hosting at Saints Champion Square and in the New Orleans Pelicans arena.

The eldest of eight siblings, CASMÈ grew up with music and community service woven into family life. Today, her work with Kids4Good NOLA and her WHO IS GOD?! Her testimony of surviving a birth crisis and rebuilding after a house fire gives personal context to the faith she shares through her songs and books.
